In Villasimius, southern Sardinia, we offer a real estate investment with a guaranteed annual return of 6%, in a residence with ensured and already operational rental management.

Residence Palm Village - Villasimius

Real estate investment with a 6% guaranteed annual return

-- Residence with swimming pool for sale in Villasimius, on the eastern coast in Sardinia --

An excellent real estate investment opportunity with a gross yield of 6%, perfect for diversifying your real estate portfolio and offering protection in the event of problems with other investment types.

-- Ensured and already operational rental management, and property appreciation --

The current owner company manages the property and provides a multi-year management contract with a guaranteed return of 6% on the invested capital. Furthermore, the property's strategic location in a rapidly growing tourist destination guarantees the property's appreciation.

A safe investment for those looking to invest capital at low risk without having to manage the property.

With excellent potential for extending the season with extra-seasonal initiatives.

-- Building in excellent state --

The building is in excellent condition, and no structural investments are planned in the medium term.
