Descrizione:

Baan Sansuk is located in Khao Takiap along the main road, and the development stretches all the way to the beachfront with a large beachfront pool. This unit is located on the second floor, in the 2nd building from the beach - meaning very close beach access. The unit is still in its original state and has not been renovated in any way. Some renovation would be required to modernize the unit and make it more homely. It comes fully furnished and ready to move in. Units such as this hold their value well due to the close proximity to the beach. The complex has a communal gym, multiple swimming pools, underground parking for cars and motorbikes and on site office with management staff. Sold FREEHOLD to foreigners and Thais alike.
