Descrizione:

A beautifully renovated two-bedroom apartment is for sale in a prime location, just 100 meters from the Parliament, on Akadémia Street.

The 70 sqm property is situated on the third floor of a well-maintained, turn-of-the-century building, which is equipped with an elevator.

This fully refurbished home perfectly combines classical elegance with modern sophistication. Thanks to its rare southern orientation, the apartment is filled with natural light throughout the day, with windows overlooking Széchenyi Street.

The layout includes a bright, spacious living room with a modern open-plan kitchen, two separate bedrooms, and two tastefully designed bathrooms.

The renovation was carried out using premium materials and with exceptional attention to detail, ensuring that every element of the apartment reflects quality and refinement. The custom-built kitchen is equipped with top-of-the-line Miele appliances, while the bathrooms feature Laufen and Rea sanitary ware. The chevron-patterned oak parquet flooring adds a touch of elegance, and both underfloor heating and air-conditioning in each room provide comfort all year round.

The apartment is sold fully furnished and equipped, with all furniture and appliances included in the purchase price.
