Descrizione:

At the entrance of the village, framed by cliffs, lies Triomphe des Noisettes (the name coming from the beautiful rose bush that graces its facade) a distinctive end of terrace house of approximately 90 sq.m., arranged over two levels with a private courtyard to one side. This property awaits a discerning owner to restore it to its full potential.

A stone archway embellishes the main door, which leads directly into the living area, a space rich in character, featuring exposed stone walls, traditional wooden beams, and a large fireplace that serves as the focal point of the room. For a more contemporary layout, the partition wall could be removed to create an expansive open-plan living area.

Ground floor: living room, kitchen, bathroom with shower.

First floor: accessed by a stone staircase is a double bedroom with a charming wrought-iron balcony and a medium-sized bedroom.

The property is further enhanced by a private courtyard of approximately 10 sq.m — an ideal setting for
