Descrizione:

A 60-metre rectangular office with an exterior front with four windows that allows you to see both Plaça de Indautxu and, in the distance, Plaça de Zabálburu from a height of a third floor facing east; The premises are perfectly isolated from the noise of the street and enjoy enviable natural light.

Upon entering we find a hall of 7 m2 and bathroom with shower of about 8 m2, then we advance to a rectangular room of 30 m2 more or less, and finally there is the office, consultation or whatever use you want to give it of approximately 15 m2, which is the one that has that extraordinary natural light.

The office is located in a concrete building where the rest of the properties are dedicated to some type of activity, but not homes.

They have two lifts, porter service, communal toilets per floor.

It has parking where you can rent or buy a space, if necessary. - REF: Indautxu 905240
