FULL DETAILS

This stunning detached New Build Villa Project For Sale combines modern comfort with timeless Mediterranean elegance, nestled on a generous plot with breathtaking sea and

mountain views. Designed to maximise natural beauty and tranquillity, the property offers privacy, luxury, and seamless indoor-outdoor living. The villa features an open-plan lounge, dining area, and kitchen, seamlessly connecting to the poolside terrace through expansive sliding doors—perfect for enjoying the spectacular surroundings. The main level boasts three spacious double bedrooms, each with an en-suite bathroom, while the upper level is dedicated to a luxurious master suite with a walk-in wardrobe or office space and a large en-suite bathroom. Built with high-quality materials, the villa showcases a refined blend of rustic and Mediterranean design, enhanced by large Technal windows and carpentry that flood the interiors with natural light. Comfort is assured with underfloor heating, ducted air conditioning, and motorised blinds throughout. The kitchen and interiors can be customised in “Ibicenco style” or modern designs, offering flexibility to suit individual preferences. The villa also features a laundry room with washer and dryer, a natural stone flooring option, and exterior finishes in "Ibicenco style" plastering. The roof is finished with Arabic-style ceramic tiles, adding to its charm.

The beautifully landscaped gardens and terraces are finished with high-quality materials, including natural clay or polished concrete, providing a seamless transition between indoor and outdoor spaces. The rectangular swimming pool is finished with mosaic tiles and includes pre-installation for heating. A BBQ area, pergola, and automatic irrigation system complete the outdoor space, making it ideal for embracing the Mediterranean lifestyle. With extensive terraces, landscaped gardens, and ample space to relax while taking in the panoramic views. The property also offers off-road parking and the option for customisations to suit individual preferences. Additionally, 6,000 m² of the estate is dedicated to the cultivation of the region’s renowned Muscatel grape.

The property includes a motorised entrance gate, garage, porch, and pergola. It complies with energy efficiency certifications and current construction codes. Security systems and alarms provide added peace of mind. This unique villa is ideal for those seeking an exclusive yet peaceful retreat, conveniently close to beautiful beaches and essential amenities. It is ideal for permanent residence, holiday use, or as an investment with significant rental potential.
