In the heart of the Costa Blanca South we find a leafy valley of 330 hectares between hills, very close to the sea and with a magnificent championship golf course that crosses it. This unique urban development is described as ecological due to the low intensity of housing it has built.

The success of this ecological urban development project lies in a total integration of the buildings in the natural environment. You will enjoy 200,000 square meters of beautiful Mediterranean landscapes and you will be able to make scenic walks through the lush indigenous, native flora and the extensive fields of orange and lemon groves.
