This impressive villa in Salobreña has so many features that put it in a class all of its own. There is a heated, salt water, infinity pool which is surrounded by a large, sunny terrace with an outdoor kitchen. The views to the sea, the mountains, the Moorish castle and beachfront of Salobreña are spectacular both by day and by night when everything is illuminated. However, what really sets this villa apart is its contemporary design. The property is divided into 4 different levels. At road level, there is a bodega and a garage with space for 2 cars and a motorcycle or a quad. This level is connected with the rest of the villa via an internal staircase that leads to the entrance hall, living room and kitchen. There is also a bedroom on this level as well as bathroom. On the second level, there are three spacious, en-suite bedrooms. When taking the stairs to the third level, it brings you to a large loft.
