Descrizione:

This lovely 19th century 3-bedroom stone and bricou house with all its outbuildings and 2.5 hectares of land has a great deal of potential for anyone to add further accommodation or to have stables for those horse lovers.

The main house comprises of three bedrooms, a large living area, bathroom, two kitchens - one of which is in the bright attached conservatory, and laundry all on the ground floor. On the first floor one finds a well-insulated attic which is currently being used as an office and storage space and can easily be converted into further bedrooms if needed.

The property also comes with a Scandinavian built chalet with its own kitchen/living area, bathroom, bedroom upstairs and a porch. It can easily be rented out for that extra little income.

The barn/maison de meteire with an area of approximately 160 m2 can be converted into another living accommodation (subject to permits) if needed or stables. It is also complimented with a lovely, covered terrace where one can have their meals eating 'al fresco' or just lounging around. The property also has two separate garages which can be utilized for different purposes. It also comes with professional water softener, 380/220V electricity, and solar hot water panels.

The property is located on the outskirts of a lovely village with all amenities such as schools, post office, tabac, supermarket, butcher, etc, and 7 kms from the bastide town of St Foy La Grande with its famous
