Descrizione:	

With over eight acres of land, this beautiful house — blending rustic charm with industrial style — offers the tranquility of the countryside while being just minutes from the market town of Castillon-la-Bataille and less than an hour from Bordeaux. Known for its cosmopolitan atmosphere, Bordeaux is a vibrant and lively city, rich in culture, dining, and entertainment, with excellent transport links, including high-speed trains, an international airport and well-connected road networks. On the ground floor, you'll find an open-plan living and dining area leading down to a vaulted playroom, creating an ideal entertainment space separate from the accommodation area. This level also includes two bedrooms and a spacious shower room, making it perfect for single-level living. Upstairs, off the landing, are three independent sleeping quarters, each with an en suite shower room and toilet — potentially suitable for a chambre d'hôtes, subject to the necessary permissions. Additionally, there is a further attic, while outside, an attached barn and garage provide ample extra space.
