Descrizione:

Contemporary Villa with Pool for Sale near Annecy and Switzerland – Villy-le-Pelloux

With its clean architectural lines and striking design, this contemporary villa stands out as a statement of modern elegance. Every facade has been conceived as a unique architectural composition, with vertical volumes, wide sliding glass openings, and a flat roof defining its resolutely contemporary style.

Bright & Refined Interiors

The heart of the home unfolds in a 43 m² living and dining area with open kitchen, bathed in natural light and designed for seamless flow. A central concrete staircase, an architectural feature in itself, leads upstairs to the private quarters.

The upper level includes:

- Three bedrooms, including a master suite
- A dedicated fitness room
- A practical laundry room

This layout combines aesthetic appeal with everyday functionality, creating a living environment where design meets comfort.

Outdoor Living as Architecture

Extending directly from the living room, the suspended swimming pool is more than just a leisure feature

— it is conceived as a bold architectural statement. Framed by open views, it epitomizes the art of contemporary outdoor living.
