All holiday apartments feature a private kitchen, a spacious bathroom with shower, a master bedroom, an additional sofa bed in the living room, and a sunny terrace.

As an investor, you won't have to worry about maintaining or renting your property. The Dunas de Barbate Resort will be managed by a professional operator with in-depth knowledge of the market and its target clientele. You'll enjoy the privacy of a holiday apartment with the services of a hotel.

The Dunas de Barbate Resort is located on the seafront, on the Paseo de Barbate. This 4-star resort will include 163 apartments and 18 commercial spaces.

The complex will feature a 24-hour reception, a restaurant, an incredible rooftop bar, three heated swimming pools, a gym, and a sauna.

The complex has a tourist license, and the aparthotel will be managed by a professional operator.

For the first three years following the apartment's delivery, owners will benefit from a guaranteed return of 5% per year from the developer.

After these first three years, owners will receive 70% of their apartment's gross rental income, with 30% going to the operator. During this second period, owners will be able to access their apartment as often as they wish.

Thanks to its magnificent beaches, unspoiled nature, culture, gastronomy, and local cuisine, Barbate has been named one of the best holiday destinations in Spain.
