3-Bedroom Apartment in Odivelas

3-bedroom apartment located in Odivelas, set in an older building but fully refurbished in 2017, offering the comfort and functionality of a modern home combined with the solidity of traditional construction. The renovation included plumbing, electrical work, flooring, kitchen, and bathrooms, resulting in a move-in-ready property with no need for further work. The apartment includes a storage room, ideal for additional space, and features a well-designed layout with bright, well-utilized areas. Located in an area with good access, public transport, shops, services, and schools nearby, it is an excellent option both for own housing and for investment. A not-to-miss opportunity for those seeking a refurbished apartment in a central and well-established location.
