Attractive former coach house proudly sitting on the village square. The property has four bedrooms (2 of which are en-suite), two outbuildings and a beautiful enclosed, south-facing garden with a vegetable plot. The house is in good general condition and is connected to mains drains. Large, fitted kitchen with direct access to the courtyard, double glazed in part and has a recent heat-exchange pump central heating system. The property is hard-wired for the internet throughout with fibre-optic. The market towns of Villefagnan andamp; Chef Boutonne are a short drive away and the village itself offers a great community feel with social possibilities including an active Franco/British society. On the village square is a bar/cafe which is a great focal point for teh community. Possibility to purchase the property furnished. The property could easily lend itself to AirBnB with its layout already offering 2 staircases for owner privacy.
