This freehold villa offers generous space and comfort, built on a land size of approximately 200–225 sqm with a total building size of 284 sqm across two levels, with only 4 units villas. Designed to accommodate larger households, the property features four bedrooms and five bathrooms, along with a private pool, garden, and a fully furnished interior. The layout feels solid and functional, with thoughtful proportions that support both privacy and shared family living.

Located in the serene area of Tampak Siring, the villa sits within a one-gate residential system that provides a sense of security and order. The surroundings are calm and green, making it ideal for those who prefer a quieter environment while still maintaining easy access. Central Ubud can be reached in around 15 minutes, allowing residents to enjoy cultural spots, dining options, and daily conveniences without sacrificing tranquility.

Well-suited for private family living, this villa also holds strong potential as a long-term investment. Its freehold status, spacious configuration, and desirable Ubud location make it appealing for extended family use or future rental opportunities. A balanced option for buyers seeking a comfortable residence with lasting value in one of Bali's most established areas.
