#### Descrizione:

Nestled in the hills above Puimoisson, just minutes from the village and the sweeping landscapes of the Valensole plateau, this 1,800 m<sup>2</sup> recreational plot (not zoned for building) offers a rare natural setting, perfect for moments of escape, culture, and serenity.

Upon arrival, the gentle east-facing slope opens onto a view of the valley and the majestic Verdon mountains. The morning light gently filters across the landscape, revealing a panorama that changes with the seasons and instantly invites contemplation.

The plot, easily accessible directly from the road, features about ten established olive trees, lending the property an authentic Provencal atmosphere. A well completes this idyllic setting, a valuable asset for creating a bountiful vegetable garden, tending an orchard, or simply enjoying a relaxing space surrounded by nature.

Further on, the various natural terraces offer the possibility of creating dedicated areas: a shaded dining area, a play area, a herb garden, or a place for meditation with panoramic views. This is a perfect plot of land for a leisure project, for reconnecting with the outdoors, or for those seeking a plot of land where

they can recharge without constraints.

In a calm, unspoiled, and inspiring environment, this land combines charm, potential, and authenticity. A true haven for lovers of nature, gardening, and wide-open spaces.
