Descrizione:

Beautiful house to renovate, 5 minutes from Verteuil-sur-Charente

This lovely property is located in a small, quiet, and charming village, with the Charente River running below, an old washhouse, and picturesque countryside walks.

The house, with land and a pretty front garden, is ready to be renovated into a character home, featuring a slate roof, three large bedrooms, a spacious living room, and a large area that could be converted into a beautiful kitchen.

It also includes two large barns as well as small outbuildings, all set on a 1,220 m2 plot. Major renovation work is required, but this property will be stunning once restored.

The property does not have a water meter or an electricity meter, although the networks run along the public road in front of the property. There is currently no sanitation system in place.
