The development is luxury, refined and carefully beautiful, where every detail has been thought out and refined.

The apartment is located on the 8th floor, features generous dimensions, and two pleasant balconies where you will want to enjoy your time; luxury is found in every object, in every detail.

Ideal to live or simply to monetize and enjoy the services of the Hotel with which it shares the reception and many of the services.

A few meters from the walkways of Ponta da Piedade that meander the incredible cliffs and hidden beaches where you find nature in its purest state and you can breathe the salty air of that blue sea. Or if you want to go to the city of Lagos it is also a short walk.

The apartment has a garage and storage room, where you can charge your electric car if you need to. Or if you want to spend the afternoon by the pool, you can enjoy an incredible pool surrounded by a generous and well-kept garden.
