Set on a generous 442 sqm plot with a built area of 153 sqm, this beautifully renovated 3-bedroom villa is ideally positioned in the sought-after area of Montinhos da Luz, Praia da Luz. Benefiting from excellent sun exposure, this property is a true sun trap, finished to a high standard throughout and ready to move into.

Upon arrival, manicured front gardens create an immediate sense of luxury, complemented by a private driveway leading to the garage. The welcoming entrance opens into a bright hallway, where the first bedroom is located on the right, entrance to the garage on the left, along with a conveniently positioned downstairs bathroom. The property is currently presented as a three-bedroom home; however, it is technically classified as a T4, with the fourth bedroom currently converted into the garage, offering excellent potential to reinstate if desired.

Continuing through the property, you reach the fully equipped, high-spec kitchen, featuring a dishwasher, oven, extractor fan, microwave, and refrigerator. A door from the kitchen provides direct access to the outdoor garden area, ideal for everyday living and entertaining.

The bright and airy living room offers a modern, comfortable space perfect for family life or hosting guests, with seamless access to the outdoor patio. Outside, you will find an impressive 8 x 13 metre

swimming pool, an outdoor shower, and ample patio space with room for entertaining and relaxing in the Algarve sunshine.

Upstairs, the property offers two spacious double bedrooms, both with built-in wardrobes and direct access to the upper terrace, filling the rooms with natural light. The terrace measures 10.2 sqm, providing the perfect setting to enjoy both morning and evening sun. A second family bathroom is also located on this floor.
