Antique Cortijo with Extensive Land & Renovation Potential - Near Montecorto, Andalucia

Set in the rolling hills behind the village of Montecorto, this authentic Andalusian cortijo offers a rare opportunity to restore a substantial traditional property in a truly peaceful countryside setting, in the heart of Andalucia, Spain.

The cortijo has a total of approximately 379 m<sup>2</sup> constructed and sits on an impressive 129,533 m<sup>2</sup> of land, providing privacy, space, and endless potential. Several single-storey cottages within the complex are habitable as they are, including the main kitchen, which features a beautiful original domed bread oven, a unique and highly desirable traditional feature.

The property is connected to mains electricity, benefits from two private wells, and has a septic tank already installed, making it an excellent base for renovation. Additional features include a garage, multiple storage sheds, and a range of old animal buildings, including former pig sties, all of which could be restored or repurposed subject to planning.

With its generous size and traditional layout, this cortijo lends itself perfectly to conversion into a magnificent country residence, rural retreat, boutique accommodation, or eco-project, while retaining its
