### Descrizione:

Karlovac, Gornje Zastinje, building land 3023 m<sup>2</sup>, surrounded by greenery, 100 m to the Korana River. Suitable for building several buildings. All connections near the land. Possibility of purchasing a smaller area. Gornje Zastinje is a small suburban settlement southwest of Karlovac, quiet and with a lot of "rural" flair, although the city is practically within reach. It is an area with a lot of greenery, fields and forests, so it is quite quiet and pleasant to live in if you like peace and nature. The houses are mostly family-owned, scattered, with large yards, gardens and the occasional farm. There is no crowd or city bustle, more of a feeling that everyone more or less knows each other. Distance from Karlovac 5 km, from Zagreb 55 km. I am available for all other questions....
