Descrizione:

For sale in Saint Vaast la Hougue, a former farmhouse to renovate, offering a wide range of possibilities: residential, artisanal, commercial, or rental. It's a touch of the countryside, the property extends over more than one hectare of land, is ideally located with easy access, excellent visibility, and ample parking.

The buildings to the south of the property, in a peaceful setting, benefit from a beautiful panorama of the Anse du Cul de Loup marshes; an ideal setting for a restaurant dining room and terrace (Attention Chefs!).

The other buildings have been partially renovated and await their new purpose: workshop, shop, exhibition hall, etc.

The initial work on the house has restored the original layout (open-plan rooms) and highlighted the typical features. Exposed beams and fireplaces, a stone staircase.

The entire property, offering approximately 180m² of living space (plus potentially convertible attics), is now ready to be reimaged and renovated according to your imagination.

This is a property with character, perfect for a residential or professional project, or even both!

This property is not subject to an Energy Performance Certificate (DPE) due to the absence of heating.

Agency fees including VAT payable by the buyer.

Apologies for the For Sale overlay on the images, this particular agent is in a very competitive sector and wishes to protect their images from being copied. If you want to see clean images of this listing simply Make an Enquiry and we will respond.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
