Descrizione:

Small, bright and very well distributed apartment, ideal for first homes or for investors.

Located about a 10-minute walk from the Fórum Maia metro station, it benefits from excellent access to the center of Porto and the entire public transport network.

The property is located on the second floor of a building with elevator.

Despite its compact size, it has a functional organization of spaces:

Cozy living room with good natural light

Practical and well-integrated kitchen

Independent laundry

Bedroom with built-in wardrobes

Functional bathroom

The apartment does not have a garage, and there is parking on the public road in the vicinity (around 30 per year)

Due to its location and typology, it is an excellent option for a first home, for those who prefer proximity to transport, or for investment in the rental market.
