Located in St. Phillips.

Located on the beautiful east coast of Antigua in the sunny eastern Caribbean, the property is perched on a bluff overlooking the azure waters of Nonsuch Bay called Villa Moonridge.

A combination of inspired architectural design with top finishes and materials, this ultimate tropical vacation home boasts four bedrooms and five bathrooms, a gourmet kitchen, and a collection of indoor and outdoor spaces that demand you relax in them. The best of local materials and experienced craftsmanship mixed with imported cloths and fabrics, the furnishings and coverings of Villa Moonridge.

With Villa Moonridge set inside the existing luxury resort also called 'Nonsuch Bay', the current owner community of successful funseekers from North America and Western Europe enjoy sandy beach, a boating marina, and a kite surfing academy – the resort offers numerous outdoor pursuits, but perhaps the best of these is exploring the white sandy islands the dot around the coastline visible from the bluff on which Villa Moonridge sits
