### Descrizione:

It presents an excellent rustic property with 184,700 m<sup>2</sup> (18.47 hectares) located in Alforzemel, in a strategic location with good access and infrastructure already available.

This farm stands out for its great potential for rural tourism, agricultural project, irrigated exploration, energy installation or construction of agricultural support, while offering rural tranquility and proximity to the main roads.

The property benefits from direct access to the A1, through the Aveiras, Cartaxo and Santarém tolls, ensuring fast connections to Lisbon and the rest of the country. There is also a bus stop nearby, allowing connection to the road and rail networks.

It already has several infrastructures installed, which represents a great asset for any project:

- Medium Voltage Line for connection to the electricity grid
- 34.5 kVA Low Voltage Branch
- 20 kVA photovoltaic plant
- Public lighting
- Public drinking water network

Artesian borehole with plenty of water, ideal for irrigated cultivation  
Construction area for agricultural support

The size of the property and the existing resources make it particularly interesting for those looking to develop a sustainable agricultural project, rural tourism or investment linked to renewable energies.
