Stone building to renovate, situated on a 791 m2 plot and offering approximately 100 m2 of living space spread over two levels. This property presents significant renovation and development potential (preservation of the stone facades, possible extension, creation of bright living spaces), ideal for a family home or a second residence.

Ideally located in the immediate vicinity of Granville, just steps from the town center shops, the market, restaurants, and healthcare facilities. The port, beaches, and Christian Dior Museum are within easy reach, as are the ramparts and popular coastal walks. Schools (nursery, primary) and secondary schools are a short drive away. Granville train station is approximately 10 minutes away by car, offering connections to the region; easy road access to Avranches and the main roads of the Manche department.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
