Descrizione:

In Mios, in the rural district of Hobre, just 6 minutes drive from the village center: school bus service in the street and school 2 minutes away.

Nestled within a landscaped, wooded, enclosed garden of nearly 2000m², offering complete privacy. Discover this 1905 house with 210m² of living space, tastefully renovated with high-quality materials and designed for energy efficiency.

On the ground floor, a double living room and a double sitting room provide a spacious, warm, and bright living area with well-defined functions. Connecting these two spaces is the recently renovated and inviting open-plan kitchen.

A toilet, an office area, a laundry room, and a mudroom complete this level.

Upstairs, you'll find four very large bedrooms, one with its own en-suite shower room.

The main shower room is particularly noteworthy: modern and stylish, it will appeal to even the most discerning buyers. A toilet and a large dressing room complete the upper floor, ensuring comfort and convenience for everyone.

Within the property, there is a magnificent 90m² barn with a full upper floor.

Renovated and partially converted, it currently houses a large workshop and storage space. Under its awning, the conservatory and sheltered terrace offer 90m² of comfortable living space, perfect for all four seasons.

The outdoor area also features a beautiful swimming pool on a wooden deck and a pool house, as well as a second workshop at the rear.

A characterful family home, beautifully presented: a rare find.
