Set within a quiet residential area of Caliços in Albufeira, this 2+1-bedroom villa offers a balanced lifestyle close to everyday amenities and the coastline. Positioned on a 545m² plot, the property combines generous interior space with a versatile outdoor area, making it well suited for both permanent living and investment. Its layout, natural light and potential for customisation create a solid base for those looking to adapt a home to their needs.

A practical bathroom with a shower completes this level. Upstairs, the property offers 2 bedrooms, including two with private balconies, alongside a family bathroom. The layout separates social and private areas, ensuring comfort and functionality.

The basement adds valuable flexibility, featuring 2 further rooms and a bathroom. They can be adapted into a home office, gym, games room or additional storage. Recent upgrades include high-quality uPVC Aluplast Guardian Sun windows, providing improved thermal and acoustic insulation. Outside, the villa

opens to a generous leisure area with a summer kitchen, laundry and storage space, ideal for outdoor dining and entertaining.

The plot offers further potential, with space to create a swimming pool or landscaped garden, as well as parking for up to three vehicles.
