Descrizione:

Discover this exclusive small-scale new-build project of just eight modern bungalows in the charming town of San Pedro del Pinatar. The homes enjoy an excellent location, close to the beaches of the Mar Menor and within walking distance of the lively town centre, where you will find a wide range of shops, restaurants and amenities.

The bungalows are designed with a modern and functional style, where comfort and space are key. Each property offers 2 bedrooms and 2 bathrooms, making them ideal as a permanent residence, holiday home or investment on the Costa Cálida.

You can choose between ground-floor bungalows with a spacious terrace and private garden, or top-floor properties featuring a beautiful private solarium where you can enjoy the Spanish sun all year round. For extra luxury, two of the top-floor homes include a jacuzzi on the solarium, perfect for relaxing and enjoying the Mediterranean climate.

In addition, two properties come with a basement, providing extra space with many possibilities such as storage, a hobby room or additional living area.

This project combines a peaceful and exclusive atmosphere with a prime location close to the sea and the town centre, offering a unique opportunity to enjoy everything San Pedro del Pinatar has to offer.
