EXCLUSIVE TO US. This 4 bedroom townhouse with outside spaces is situated in popular Castillo de Locubin, close to the historical city of Alcala la Real, in the south of Jaen province in Andalusia, Spain. Located in an elevated position you enter the property via a spacious front patio with commanding views over the edge of town and to the countryside beyond. A central doorway leads into a bright lounge with a pellet burner and a door, on the right that takes you to a ground floor, air conditioned double bedroom as well as under stair storage. The lounge has open access into the formal dining area which then leads into the good size fitted kitchen. From the dining area a doorway leads first to a storage space, a fully tiled modern shower room, you then have access out into your private courtyard which includes a covered laundry area, an outside shower, a storage room and a passageway that leads to a separate entrance from the front patio. Stairs from the lounge take you to the first floor where you have, on the left, what could be a guest bedroom with its own toilet / washing facilities. To the right you have 2 double bedrooms as well as access out onto 2 separate sun terraces, the larger of which also has additional storage. The furniture is negotiable, it should be noted that the air conditioning and the sofa are brand new. Ready to move into and enjoy, this townhouse with wonderful terrace and patio views is on the market for 67,000 euros.
