Brač, Mirca

A beautiful detached four-bedroom stone house with a total area of 300 m<sup>2</sup>, built in 2011 and renovated in 2023, located near the village centre on a 250 m<sup>2</sup> plot.

The house is spread over three levels:

Basement: Spacious open-plan living room with kitchen and dining area, two bedrooms with en-suite bathrooms, two outdoor terraces, and a storage room.

Ground floor: Large living room connected to the dining area and kitchen, with access to a spacious terrace featuring a heated pool of 17 m<sup>2</sup>.

First floor: Two spacious bedrooms, each with its own bathroom; one of the rooms also has a balcony.

The location is exceptional — close to the centre yet slightly secluded, offering peace and privacy. The village centre, with bus station, shops, restaurants, pharmacy, and other amenities, is just a few minutes' walk away, while the beach is about ten minutes on foot.

This property offers outstanding potential both for tourism investment and for creating a private seaside oasis.

The rental also includes 2,200 m<sup>2</sup> of agricultural land, located only five minutes away. On the land there is a small building for gatherings, with electricity and water already connected. The entire plot is a cultivated olive grove with a beautiful sea view.
