These elegant three-bedroom homes blend contemporary architecture with classic Andalusian design. Distributed over two floors, each property is centred around a private interior patio that brings in abundant natural light and creates a tranquil outdoor focal point. The patio features a landscaped garden, private swimming pool, and shaded pergola – perfect for relaxing or entertaining in total privacy.

Inside, the homes offer spacious living areas with an open-plan layout, quality finishes, and a warm, minimalist style. Floor-to-ceiling windows create a seamless connection between indoor and outdoor spaces, enhancing the sense of space and natural flow. With thoughtful design and premium materials throughout, these homes offer a serene and stylish retreat in one of Sotogrande's most exclusive residential communities.

The project now has a licence to build in place, and completion is expected by spring 2028
