Mijas Pueblo or known locally as the white village sits in the foothills of the Mijas Mountains some 428m above sea level. The village provides some of the most stunning and breath-taking views of the surrounding areas down to the coast, inland and the rugged rocky landscape.

Benalmadena Pueblo is situated in the foothills of the mountains and about 5km from the coast. Most areas of this village offer breath taking views of the Mediterranean from Fuengirola to Malaga. The village attracts many day visitors as it has managed to keep its traditional Spanish village look with white washed walls, narrow flower filled cobbled streets and small plazas (squares) where traditional Spanish café bars reside. Many visitors enjoy the tranquillity of the village taken in a real taste of Spanish life whilst enjoying local cuisine and tapas.
