Designed with sustainability and comfort in mind, the communal areas include landscaped gardens, a refreshing swimming pool, and a fully equipped gym. Practicality is also key, with 166 parking spaces and 134 storage rooms available in the basement level.

Inside, the penthouse offers spacious and light-filled living and dining areas that open onto the expansive terrace, creating the perfect indoor-outdoor flow. The open-plan kitchen is fitted with modern, energy-efficient appliances, combining eco-conscious living with sophisticated design.
