Descrizione:

This modern villa consists of 4 floors: ground floor, 1st floor, attic and basement garage.

The ground floor consists of the living and dining room, modern equipped kitchen and terrace with barbecue, outdoor kitchen and dining table.

On the first floor we have 2 more bedrooms and a sun terrace. The spacious attic, with skylight, is where the 4th bedroom with en-suite bathroom is located.

The basement is quite spacious so it can be used only as a garage for 2-3 cars or be partially converted into a 5th bedroom, games room or laundry, according to the preference of the new owners.

The property is part of a condominium of 7 villas, with a communal pool and is ideal as a family home for permanent housing.
