#### Descrizione:

While most apartments in the historic centre are compact, dark and overlooked, this home feels open, calm and effortlessly elegant. The atmosphere is closer to a boutique hotel or a private Mediterranean retreat than a traditional old town apartment.

Positioned on the top floor with elevator access and only one neighbouring apartment on the same level, the property enjoys a rare sense of exclusivity and tranquillity.

Inside, the apartment combines soft Scandinavian tones with warm natural textures, oversized windows and beautifully balanced living spaces filled with sunlight throughout the day.

The 30 sqm terrace becomes a true outdoor living room above the rooftops of Lagos, private, peaceful and completely free from overlooking neighbours.

Everything Lagos is known for is just outside your door: vibrant restaurants, cafés, small plazas and the beach only a few minutes away, yet the apartment remains remarkably quiet.
