Between the mountains of Bermeo and Bakio lies this unique 16-hectare estate, a private enclave surrounded by nature. The property includes a 19th-century farmhouse of over 560 m², a second rustic building, and 11 hectares of eucalyptus in production. It has a favorable Urban Planning File, which allows for the rehabilitation and development of agricultural, livestock, or tourist projects. The water comes from its own spring, and the estate had an electricity supply, facilitating its reactivation. A unique environment for those seeking privacy, heritage, and investment potential in the heart of the Basque countryside.
