### Descrizione:

Small village with wine producers, 7 minutes from other villages such as Gabian (boulangerie, epicerie, weekly market) or Laurens (butcher, tabac). It is 15 minutes to Roujan, 25 minutes to Pezenas and Beziers and 40 minutes to the beaches of the Mediterranean and the airport of Beziers-Cap d'Agde.

In the heart of a picturesque village, and built entirely of stone, offering complete tranquility, discover this spacious, characterful house with 160 square metres of living space - a former wine producer's home, offering a wealth of possibilities. Whilst it is currently a family home, its layout would permit it to be divided into two independent dwellings. There are two main levels, the upper of which has two bedrooms and an enclosed garden, and the lower level also has two bedrooms with a pleasant terrace adjoining the kitchen space. So it is an ideal property for a family project (main residence plus accommodation for relatives) or an investment for seasonal rental (AirBnb). In addition, the house is sold with a separate garden in the woods bordering a stream, a true haven of peace: vegetable patch, relaxation area, siestas in the shade in summer: a rare and sought after natural space, just a five minute walk from the house.
