ABOUT THE AREA

Meta is a picturesque coastal town nestled in the Campania region of southern Italy, situated on the famous Sorrento Peninsula within the Metropolitan City of Naples. Perched high above the Tyrrhenian Sea on dramatic limestone cliffs, Meta offers sweeping views of the Gulf of Naples. Unlike some of its busier neighboring towns, Meta provides a slightly quieter, more authentic Mediterranean atmosphere while still putting visitors right at the gateway to the Amalfi Coast.

The town is particularly famous for having some of the largest and most accessible sandy beaches along the Sorrento Peninsula, notably Marina di Meta and Alimuri Beach. Above the shore, Meta features a historic center filled with narrow winding alleyways, historic churches such as the Basilica of Santa Maria del Lauro, and traditional Italian eateries serving fresh seafood and regional wines. It seamlessly blends coastal resort charm with the laid-back rhythm of a traditional Italian village.

Meta serves as an ideal base for exploring the broader Campania region due to its excellent transport links. It sits directly on the Circumvesuviana railway line, which connects Naples to Sorrento, allowing travelers to easily reach historic sights like Pompeii and Herculaneum. Additionally, local buses and ferry connections from nearby Sorrento make day trips to Capri, Positano, and Amalfi simple and straightforward.

The nearest airport to Meta is Naples International Airport (NAP / Capodichino), located approximately 50 kilometers (31 miles) to the north. From Naples Airport, travelers can reach Meta in about an hour by taxi or airport shuttle, or take the Alibus to Naples' central train station (Napoli Centrale / Garibaldi) and transfer directly to the Circumvesuviana train bound for Meta.
