### Descrizione:

This new 49-floor development is planned for completion in the end of 2014. The studio offers a nice beach view so you can enjoy the sunset every day. The room is 39M2 but has a very unique layout where the bedroom can be joint with the living room or separated into 2 rooms. The Condo is 50 meters away from the quiet and beautiful Jomtien beach; it just takes 15 minutes though to enjoy the nightlife at the famous Walking Street in Pattaya. It offers the best of both worlds--relaxation as well as entertainment within minutes' reach. The High Rise development will feature all the amenities that can be expected from a modern condo: sports, fitness and a beautiful lobby that would suit a 5 star hotel.
