Phase III of Balmoral Resort introduces the Executive Collection, a premier selection of 5–6 bedroom, two-story vacation homes designed for both luxury living and high-performing rental potential. Set in a new, exclusive area of the resort, these homes are positioned on a variety of lot types, including standard lots, lake-view lots, and front-facing lots, offering owners flexibility in location and views. Each residence features spacious layouts, private heated pools, built-in Jacuzzi spas, and expansive indoor-outdoor living spaces, making them ideal for family retreats, group stays, or executive gatherings. Highlight homes, such as The Westminster, provide over 3,700 sq ft (347 m²) of total space with 6 bedrooms and 6.5 bathrooms, ensuring comfort, privacy, and sophistication.

Owners benefit from comprehensive on-site rental services, including professional management, regular maintenance, guest check-in, and full furnishing. Balmoral Resort attracts guests globally through robust marketing campaigns, partnerships with top tour operators, and premium booking technology, allowing homes to operate seamlessly as part of a luxury hospitality destination. Residents also enjoy the resort's extensive amenities, including a water park, resort-style pool, bar
