Descrizione:

Set in a peaceful little hamlet near Villefagnan, this beautiful, light-filled country house offers a wonderfully private place to enjoy life in the Charente.

Beyond the electric gates, a pretty courtyard and traditional Charentais outbuildings create an immediate sense of character. Inside, the heart of the house is an impressive 78m² living space with wood-burning stove and adjoining kitchen. Large glazed doors bring in plenty of natural light, with remote-controlled curtains adding a thoughtful touch of everyday comfort.

The accommodation is particularly generous, with four spacious bedrooms on the ground floor, three with their own shower rooms, plus a family bathroom and dressing room. Upstairs, a 19m² mezzanine provides a relaxed second sitting area, ideal for reading, working or simply finding a quieter corner of the house.

The kitchen opens onto a covered terrace overlooking the garden, just a few steps from the heated swimming pool. And for tennis lovers, there is a full-size private tennis court tucked away at the far end of the grounds, perfect for long summer matches with family and friends.

With its space, privacy and excellent leisure facilities, this is a lovely French country home for both permanent living and relaxed holidays.
