Descrizione:	

Discover the relaxed Spanish lifestyle in a spacious and functional home designed in a modern Ibiza style, situated on one of the beautiful, generously sized plots available in and around Aspe and Novelda. A property where Mediterranean charm, contemporary comfort and privacy come together naturally.

The large plots provide an exceptional sense of freedom and outstanding privacy, combined with beautiful views across the characteristic surrounding landscape. Here you can enjoy peace, space and the Mediterranean climate every day, while still having all essential amenities within easy reach.

The traditional Spanish town of Aspe is just a short distance away, offering supermarkets, shops, restaurants, welcoming terraces and all the amenities required for everyday living. This allows you to enjoy a peaceful countryside setting without feeling isolated.

The property has been designed with both space and functionality in mind and features three bedrooms and two bathrooms. The generous master bedroom creates a comfortable private suite with its own en-suite bathroom and dressing room. There is also a separate office or hobby room, ideal for working from home, creative pursuits or use as a versatile additional space.

The living areas embrace the warm, natural character associated with Ibiza-style interiors, combining light colours, natural materials, large expanses of glass and a seamless connection between indoor and outdoor

living. The generous plot provides plenty of opportunity to create several terraces, an attractive Mediterranean garden and a large private swimming pool.

For additional convenience, the property also includes a double garage, providing ample space for two cars as well as additional storage.

Another important advantage is the possibility, depending on the stage of the project, to further personalise the property. The layout, materials, colours and selected details can be adapted in consultation with you, allowing the finished home to reflect your personal taste and lifestyle requirements.

An exceptional concept for anyone looking for contemporary Mediterranean living, excellent privacy, beautiful open views and generous outdoor space, all within a short distance of the authentic Spanish atmosphere of Aspe and Novelda.
