In a place Ugljan for sale is beautifully landscaped olive grove with an area of 3683 m2 and with a sea view. It is located on the flat part of the island so it is illuminated by the sun throughout the day. The plot is surrounded by a stone wall, located next to an asphalted road, planted with approximately 80 olive trees and on it is a natural source of water - a well. Considering the position in a spatial planning of the municipality of Preko, which also includes the town of Ugljan, the advantage of this agricultural plot is that it is located right next to the edge of the construction zone.

It is distanced approx. 1500 m from the center of Ugljan, and approx. 700 m from the sea.
