****Fully renovated apartment near Playa de los Náufragos**** We present this fully renovated apartment, where practically everything has been renewed: electrical installation, plumbing, kitchen, bathroom, windows... Everything is brand new and ready to move into. It also has air conditioning in every room, providing extra comfort all year round. The property is located very close to Playa de los Náufragos, in a convenient area both for year-round living and for enjoying holidays by the sea. During the renovation, the former terrace was incorporated into the living room, creating a larger and more practical space. The property currently does not have a balcony or outdoor terrace. Another advantage is its easy access, as it is located almost at ground-floor level, making it especially convenient for everyday living. A fully renovated, functional and very well-located property, ideal for those who want to avoid renovations and start enjoying their new home from day one. Purchase costs and taxes not included.
