New Build Villa for Sale in Alicante

This brand-new detached villa in Alicante sits ➡ on a 500 m² plot and offers 247 m² of total built space. The main layout features three bedrooms, two bathrooms, and an open-plan kitchen that comes ➡ with white goods already included. A big bonus with this property is the 103 m² semi-basement under-build, which gives you a huge amount of extra room to use as a second lounge, home gym, workshop, or extra storage.

As a new build, the property comes with a 10-year builder warranty and several modern, energy-efficient features. An aerothermal water heating system helps keep running costs down, while the bathrooms benefit from underfloor heating. It also comes fitted with electric blinds, double-glazed windows, pre-installation for air conditioning, a storage room, and a video entry phone system.

Outside, the plot is set up for easy living ➡ with a private swimming pool, an exterior shower area, and off-street parking behind an electric gate. You get a quiet location without feeling isolated—local amenities are 1.3 km down the road, the beach is 7 km away, golf is within 10 km, and Alicante airport is a straightforward 25 km drive.
