Pueblo Barea – A New Way of Living on the Costa de Almería

Discover Pueblo Barea, an impressive new-build development in Vera Playa, located just 1 kilometre from the beach and approximately 15 minutes by car from the charming centre of Mojácar. A fantastic location on the Costa de Almería, ideal for both personal use and investment.

Pueblo Barea comprises 146 modern apartments, designed with comfort, space and the Mediterranean lifestyle in mind. The development stands out not only for its attractive homes, but also for its impressive communal facilities. Residents can enjoy two communal swimming pools, beautifully landscaped gardens, a fitness area and mini golf. Everything has been designed to make the most of the wonderful climate and outdoor lifestyle for which this region is known.

Excellent accessibility adds to the appeal of the location. A new train station will be approximately 10 minutes away by car, while the airports of Almería and Murcia are both around one hour away. This makes Pueblo Barea easily accessible for owners wishing to enjoy their property permanently or as a holiday home, as well as for future tenants.

The combination of new-build quality, proximity to the beach, excellent facilities and its location between Vera Playa and Mojácar makes Pueblo Barea an attractive choice for anyone looking for a

second home under the Spanish sun or a property with rental potential.

Pueblo Barea offers much more than an apartment on the Costa de Almería: it is an opportunity to invest in an area with exciting future potential while enjoying everything the Mediterranean lifestyle has to offer.
