Descrizione:

Tucked into a quiet rice-field corridor a short scooter ride from the coast, this collection of duplexes is designed for uninterrupted green views from almost every room. Each unit pairs a private plunge pool and full furnishing with a genuinely private, two-storey layout across a compact footprint. Structural quality is backed by a 10-year structural warranty, a 6-month second-fix (finishing) warranty, and a 1-year rooftop waterproofing warranty, on a 25-year land lease with a 30-year extension already locked in with the landowner — giving buyers long-term security alongside strong day-one rental appeal in a growing part of the island.
