85 semi detached villas and townhouses 3- and 4-bedroom homes, some of them including private gardens and pools.

An exclusive complex of semi detached villas and townhouses for sale in Mijas Costa, 3- and 4-bedroom properties, located 700 metres from the beach, and surrounded by lush forests.

Homes featuring an elegant and modern design, where luxury, nature, and avant-garde architecture converge. They form a unique development with ample independent homes which include a private garden, pool, large windows, storage room, covered garage, and fully equipped kitchen.

This design employs the traditional pentagon shape to create an ecosystem of unique homes, which maintain a constant relationship with nature. The interior has been designed with ample open spaces that are open to the outdoors, highlighting the views of the golf course and the sea. The design also takes maximum advantage of natural light through the installation of large windows in every room, especially on the homes' façade of our villas in Mijas Costa.

A modern and functional architectural design that will leave everyone mesmerized.
