Floor-to-ceiling glass walls seamlessly merge villa Narai Kiri's tremendous outdoor spaces with the abundant lifestyle of the interiors to create a breezy, open-air atmosphere. Designed with modern Thai architecture in mind, Narai Kiri in Ko Samui showcases a soothing palette of soft creams and browns that contrasts artistically with the vibrant blues and greens of its tropical setting. Fresh ocean breezes and natural sunlight flood the open concept layout to harmoniously unite the striking beauty of the living and dining areas with the modern, European-style kitchen equipped with stainless steel appliances and casual breakfast bar.

Throughout the lower level of the villa Narai Kiri are five full size double bedrooms with private bathrooms in addition to a maid quarters. These luxe suites are expertly positioned to enjoy the dazzling views, with such amenities as built-in wardrobes, air conditioning and ensuite bathrooms with rainfall showers and separate freestanding soaking tubs. There is even a smaller modern kitchen in convenient reach that makes this level feel more like a private getaway. The villa has so many features to behold, including Balinese green stone tile in the infinity pool, LED lighting throughout, A/C units in all rooms, storage, touch pad keyless smart door lock at the front gate and a 2 car garage. Designed to feel like a home away from home, this exquisite Ko Samui villa for sale is decorated with teak wood furnishings, privately surrounded by lush palms for peak enjoyment.
